

Development Alternatives signs MoU with United Nations India

On 18th December, 2018, Development Alternatives (DA) signed an MoU with United Nations India to enhance work towards achieving the SDGs with a special focus on environment and climate change. Together, the organisations will focus on policy research, increasing outreach, and engaging with public and private sectors. Dr Ashok Khosla, Chairman, DA and Mr Yuri Afanasiev, United Nations Resident Coordinator signed the MoU at the UNDP office, Delhi.

Through this MoU, the two groups agreed to work on the themes of urbanisation, food security, education & employability, water & sanitation, skilling entrepreneurship and job creation, natural resource management resilience and energy. The two groups are deeply committed towards sustainable development and through this MoU, collaboration will be facilitated and strengthened between the two groups on a non-exclusive basis in areas of common interest.
