

## Centre Inauguration and Graduation Ceremony

### Introduction

**D**evelopment Alternatives is delighted to resume the training centre in Jaipur in the new phase of skills to livelihood project with aim to create models that generate sustainable livelihoods in large numbers. During the last three phases more than 3000 youth and women have been trained and over 1800 have been linked to employment.

The partnership of HDB Financial Services and Society for Development Alternatives has entered into fourth year. The phase-IV of the project started from 15<sup>th</sup> August 2021 with the aim to train 700 individuals and link at least 70% of them to employment opportunities. Vocational Training Centres are established in Noida and Jaipur with a target to make a change in lives of surrounding communities through the project intervention.
